

TIM GRIFFIN
ATTORNEY GENERAL

October 6, 2025

Stanley Lawrence
P.O. Box 1014
Wynne, AR 72396

Dear Mr. Lawrence:

Thank you for contacting the Office of the Arkansas Attorney General regarding a physician and health care facility complaint. Unfortunately, the situation you describe in your letter falls outside the scope of the authority and jurisdiction of the Attorney General's Consumer Protection Division. Thus, we will not be able to handle the matter as a consumer complaint nor seek to facilitate a resolution of that complaint.

Because the primary restriction placed upon the Attorney General's office by Arkansas state law is that the Attorney General is prohibited from the private practice of law, I am unable to provide you with legal advice or guidance.

You may wish to contact a private attorney to discuss your legal rights and options in this matter. A list of Arkansas attorneys can be searched by city, county, and area of practice via the Arkansas Bar Association's website arkansasfindalawyer.com. For civil matters and depending on your income, you may qualify for assistance from Arkansas Legal Partnership which can be accessed online at arlawhelp.org or by calling (888) 540-2941.

Please do not hesitate to contact our office at (501) 682-2007 if we can be of assistance with other consumer-related matters.

Sincerely,

A handwritten signature in black ink that reads "Michele Kulesa". The signature is fluid and cursive, with the first name "Michele" written in a larger, more prominent script than the last name "Kulesa".
